

BS 4848 : Part 4 : 1972

UDC 669.14.018.29—423.2—122.4: 624.07

CONFIRMED MAY 1986

(Reprinted, incorporating Amendments No. 1 to No. 3 inclusive)

Specification for Hot-Rolled Structural Steel Sections

Part 4. Equal and unequal angles

NO COPYING IN ANY FORM WITHOUT WRITTEN PERMISSION FROM BSI

THIS BRITISH STANDARD, having been approved by the Iron and Steel Industry Standards Committee, was published under the authority of the Executive Board on 15 May, 1972.

© British Standards Institution, 1972.

First published May, 1972.

SBN: 580 07042 5

The Institution desires to call attention to the fact that this British Standard does not purport to include all the necessary provisions of a contract.

A complete list of British Standards, numbering over 9000, fully indexed and with a note of the contents of each, will be found in the BSI Catalogue. The BSI Catalogue may be consulted in many public libraries and similar institutions.

The following BSI references relate to the work on this standard:
Committee reference ISM/13 Draft for comment 70/30306

Co-operating Organizations

The Iron and Steel Industry Standards Committee, under whose supervision this British Standard was prepared, consists of representatives of the following Government departments and scientific and industrial organizations:

- | | |
|---|---|
| British Cast Iron Research Association | Institution of Production Engineers |
| *British Constructional Steelwork Association | *Lloyds Register of Shipping |
| British Ironfounders' Association | Ministry of Defence |
| British Mechanical Engineering Confederation | Ministry of Defence, Army Department |
| *British Steel Industry | National Association of Drop Forgers and Stampers |
| Council of Iron Producers | National Physical Laboratory (Department of Trade and Industry) |
| Council of Ironfoundry Association | Oil Companies' Materials Association |
| *Department of Employment | *Royal Institute of British Architects |
| *Department of Trade and Industry (Marine Division) | *Shipbuilders' and Repairers' National Association |
| Engineering Equipment Users' Association | Society of Motor Manufacturers and Traders Ltd. |
| Federation of Civil Engineering Contractors | Stainless Steel Development Association |
| Institute of British Foundrymen | Steel Castings Research and Trade Association |
| Institution of Civil Engineers | Tank and Industrial Plant Association |
| Institute of Iron and Steel Wire Manufacturers | Tin Research Institute |
| Institute of Marine Engineers | Water-Tube Boilermakers' Association |
| Institution of Mechanical Engineers (Automobile Division) | |
| *Institution of Structural Engineers | |

The Government departments and scientific and industrial organizations marked with an asterisk in the above list, together with the following, were directly represented on the committee entrusted with the preparation of this British Standard:

- | | |
|--|--|
| British Electrical and Allied Manufacturers' Association | Greater London Council |
| British Independent Steel Producers' Association | Ministry of Defence, Navy Department |
| British Industrial Measuring and Control Apparatus Manufacturers' Association | National Association of Steel Stockholders |
| Bureau Veritas | National Coal Board |
| Electricity Council, The Central Electricity Generating Board and the Area Boards in England and Wales | Royal Institution of Naval Architects |
| | Welding Institute |
