

BS EN 13523-19:2011

BSI Standards Publication

Coil coated metals — Test methods

Part 19: Panel design and method of atmospheric exposure testing

National foreword

This British Standard is the UK implementation of EN 13523-19:2011. It supersedes BS EN 13523-19:2004 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee STI/27, Paint systems for metallic substrates.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
