Petrol filling stations

Part 2: Safety requirements for construction and performance of safe breaks for use on metering pumps and dispensers

National foreword

This British Standard is the UK implementation of EN 13617-2:2012. It supersedes BS EN 13617-2:2004, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee PVE/393/4, Metering pumps and dispensers for liquid fuel.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
