

BSI Standards Publication

Fixed firefighting systems — Gas extinguishing systems

Part 4: Physical properties and system design of gas extinguishing systems for HFC 125 extinguishant

National foreword

This British Standard is the UK implementation of EN 15004-4:2020. It supersedes BS EN 15004-4:2008, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee FSH/18/6, Gaseous Extinguishing Media and Systems.

A list of organizations represented on this committee can be obtained on request to its committee manager.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
