

Industrial valves — Mounting kits for part-turn valve actuator attachment

The European Standard EN 15081:2007 has the status of a
British Standard

ICS 23.060.99

National foreword

This British Standard is the UK implementation of EN 15081:2007.

The UK participation in its preparation was entrusted by Technical Committee PSE/7, Industrial valves, to Subcommittee PSE/7/1, Valves — Basic standards.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard cannot confer immunity from legal obligations.

This British Standard was published under the authority of the Standards Policy and Strategy Committee on 31 October 2007
