Powered industrial trucks - Visibility - Test methods and verification

Part 3: Reach trucks up to and including 10 000 kg capacity

National foreword

This British Standard is the UK implementation of EN 16842-3:2018.

The UK participation in its preparation was entrusted to Technical Committee MHE/7, Industrial trucks.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
