

BS EN 1932:2013

BSI Standards Publication

External blinds and shutters — Resistance to wind loads — Method of testing and performance criteria

National foreword

This British Standard is the UK implementation of EN 1932:2013. It supersedes BS EN 1932:2001 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee B/538/3, Domestic shutters and blinds.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
