Methods of testing cement

Part 10: Determination of the water-soluble chromium (VI) content of cement

National foreword

This British Standard is the UK implementation of EN 196-10:2016. It supersedes BS EN 196-10:2006 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee B/516/12, Sampling and testing.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
