

Wood fibre boards — Definition, classification and symbols

ICS 01.040.79; 79.060.20

National foreword

This British Standard is the UK implementation of EN 316:2009. It supersedes BS EN 316:1999 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee B/541, Wood based panels.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard cannot confer immunity from legal obligations.

This British Standard was published under the authority of the Standards Policy and Strategy Committee on 28 February 2010.
