Locking devices for ball and socket couplings of string insulator units — Dimensions and tests

National foreword

This British Standard is the UK implementation of EN IEC 60372:2020. It is identical to IEC 60372:2020. It supersedes BS EN 60372:2004, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee PEL/36, Insulators for power systems.

A list of organizations represented on this committee can be obtained on request to its committee manager.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
