Conventions concerning electric circuits

National foreword

This British Standard is the UK implementation of EN IEC 60375:2018. It is identical to IEC 60375:2018. It supersedes BS EN 60375:2003, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee SS/7, General metrology, quantities, units and symbols.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
