Live working — Conductive clothing

National foreword

This British Standard is the UK implementation of EN IEC 60895:2020. It is identical to IEC 60895:2020. It supersedes BS EN 60895:2003, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee PEL/78, Tools for live working.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
