Marking of electrical equipment with ratings related to electrical supply — Safety requirements

National foreword

This British Standard is the UK implementation of EN IEC 61293:2020. It is identical to IEC 61293:2019. It supersedes BS EN 61293:1995, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee GEL/3, Documentation and graphical symbols.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
