

BSI Standards Publication

Nuclear power plants – Instrumentation, control and electrical power systems – Requirements for electromagnetic compatibility testing

National foreword

This British Standard is the UK implementation of EN IEC 62003:2020. It is identical to IEC 62003:2020. It supersedes BS IEC 62003:2020, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee NCE/8, Instrumentation, Control & Electrical Systems of Nuclear Facilities.

A list of organizations represented on this committee can be obtained on request to its committee manager.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
