Fibre optic interconnecting devices and passive components – Reliability

Part 9-4: High power qualification of passive optical components for environmental category C (IEC 62005-9-4:2018)

National foreword

This British Standard is the UK implementation of EN IEC 62005-9-4:2018. It is identical to IEC 62005-9-4:2018.

The UK participation in its preparation was entrusted to Technical Committee GEL/86/2, Fibre optic interconnecting devices and passive components.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
