Audio/video, information and communication technology equipment

Part 3: Safety aspects for DC power transfer through
communication cables and ports

National foreword

This British Standard is the UK implementation of EN IEC 62368-3:2020. It is identical to IEC 62368-3:2017. It supersedes BS EN 60950-21:2003, which will be withdrawn on 20 December 2020.

The UK participation in its preparation was entrusted to Technical Committee EPL/108, Safety of electronic equipment within the field of audio/video, information technology and communication technology.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
