

BSI Standards Publication

Lightning protection system components (LPSC)

Part 6: Requirements for lightning strike counters (LSC)

National foreword

This British Standard is the UK implementation of EN IEC 62561-6:2018, incorporating corrigendum April 2018. It is identical to IEC 62561-6:2018. It supersedes BS EN 62561-6:2011, which will be withdrawn on 1 March 2021.

The UK participation in its preparation was entrusted to Technical Committee GEL/81, Protection against lightning.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
