

BSI Standards Publication

Metallic materials — Sheet and strip — Determination of plastic strain ratio

National foreword

This British Standard is the UK implementation of EN ISO 10113:2020. It is identical to ISO 10113:2020. It supersedes BS EN ISO 10113:2014, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee ISE/101/1, Uniaxial and Ductility Testing.

A list of organizations represented on this committee can be obtained on request to its committee manager.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
