Soil quality — Method to directly extract DNA from soil samples (ISO 11063:2012)

bsi.

...making excellence a habit.™

National foreword

This British Standard is the UK implementation of EN ISO 11063:2013. It is identical to ISO 11063:2012.

The UK participation in its preparation was entrusted to Technical Committee EH/4, Soil quality.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
