National foreword

This British Standard is the UK implementation of EN ISO 11092:2014. It supersedes BS EN 31092:1993+A1:2012 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee TCI/24, Physical testing of textiles.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
