

BSI Standards Publication

Medical supply units

National foreword

This British Standard is the UK implementation of EN ISO 11197:2019. It is identical to ISO 11197:2019. It supersedes BS EN ISO 11197:2016, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee CH/121/6, Medical gas supply systems.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
