Geometrical product specifications (GPS) – Dimensional measuring equipment

Part 2: Design and metrological characteristics of calliper depth gauges

National foreword

This British Standard is the UK implementation of EN ISO 13385-2:2020. It is identical to [ISO 13385-2:2020](#). It supersedes [BS EN ISO 13385-2:2011](#), which is withdrawn.

BS EN ISO 13385 2:2020 is meant to be read in conjunction with [BS EN ISO 14978:2018](#), which contains general requirements for GPS standards. Users are advised that [BS EN ISO 14978:2018](#) should be close at hand when reading and using ISO standards for specific GPS measuring equipment.

The UK participation in its preparation was entrusted to Technical Committee TPR/1, Technical Product Realization.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
