

BSI Standards Publication

Petroleum and natural gas industries — Procedures for testing casing and tubing connections

National foreword

This British Standard is the UK implementation of EN ISO 13679:2019. It supersedes [BS EN ISO 13679:2006](#), which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee PSE/17/-/5, Casing, tubing and drill pipe.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
