

BSI Standards Publication

Safety of machinery - Two-hand control devices - Principles for design and selection

National foreword

This British Standard is the UK implementation of EN ISO 13851:2019. It is identical to [ISO 13851:2019](#). It supersedes [BS EN 574:1996+A1:2008](#), which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee MCE/3, Safeguarding of machinery.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
