

BSI Standards Publication

**Environmental management - Material flow
cost accounting - Guidance for practical
implementation in a supply chain**

National foreword

This British Standard is the UK implementation of EN ISO 14052:2018. It is identical to ISO 14052:2017. It supersedes [BS ISO 14052:2017](#), which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee SES/1, Environmental management.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
