

BSI Standards Publication

Road vehicles - Compressed natural gas (CNG) refuelling connector (ISO 14469:2017)

National foreword

This British Standard is the UK implementation of EN ISO 14469:2017. It is identical to ISO 14469:2017.

The UK participation in its preparation was entrusted to Technical Committee GSE/40, Gas supply equipment for natural gas vehicles.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
