

BSI Standards Publication

Cleanrooms and associated controlled environments

Part 17: Particle deposition rate applications

National foreword

This British Standard is the UK implementation of EN ISO 14644-17:2021. It is identical to [ISO 14644-17:2021](#).

The UK participation in its preparation was entrusted to Technical Committee LBI/30, Cleanroom technology.

A list of organizations represented on this committee can be obtained on request to its committee manager.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
