The European Standard EN ISO 14819-6:2006 has the status of a British Standard

ICS 03.220.20; 35.240.60

National foreword

This British Standard is the official English language version of EN ISO 14819-6:2006. It is identical with ISO 14819-6:2006.

The UK participation in its preparation was entrusted to Technical Committee EPL/278, Road transport informatics, which has the responsibility to:

- aid enquirers to understand the text;
- present to the responsible international/European committee any enquiries on the interpretation, or proposals for change, and keep UK interests informed;
- monitor related international and European developments and promulgate them in the UK.

A list of organizations represented on this committee can be obtained on request to its secretary.
