Thermal spraying — Procedures for the application of thermally sprayed coatings for engineering components (ISO 14921:2010)

National foreword

This British Standard is the UK implementation of EN ISO 14921:2010. It supersedes BS EN ISO 14921:2001 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee STI/40, Thermally sprayed inorganic finishes.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
