

BS EN ISO 15091:2012

BSI Standards Publication

Paints and varnishes — Determination of electrical conductivity and resistance

National foreword

This British Standard is the UK implementation of EN ISO 15091:2012.

The UK participation in its preparation was entrusted to Technical Committee STI/10, Test methods for paints.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
