

BS EN ISO 15615:2013

BSI Standards Publication

**Gas welding equipment
— Acetylene manifold
systems for welding, cutting
and allied processes —
Safety requirements in
high-pressure devices**

National foreword

This British Standard is the UK implementation of EN ISO 15615:2013. It supersedes BS EN ISO 15615:2002, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee WEE/18, Gas welding and cutting appliances.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
