Welding - Friction welding of metallic materials

National foreword

This British Standard is the UK implementation of EN ISO 15620:2019. It is identical to ISO 15620:2019. It supersedes BS EN ISO 15620:2000, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee WEE/36, Qualification of welding personnel and welding procedures.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
