Absorbent incontinence aids for urine and/or faeces — General guidelines on evaluation

National foreword

This British Standard is the UK implementation of EN ISO 15621:2017. It is identical to ISO 15621:2017. It supersedes BS ISO 15621:2011, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee CH/173, Assistive products for persons with disability.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
