

BS EN ISO 16904:2016

BSI Standards Publication

Petroleum and natural gas industries — Design and testing of LNG marine transfer arms for conventional onshore terminals

bsi.

...making excellence a habit.™

National foreword

This British Standard is the UK implementation of EN ISO 16904:2016. It supersedes BS EN 1474-1:2008 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee PSE/17, Materials and equipment for petroleum, petrochemical and natural gas industries.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
