

BSI Standards Publication

Gaseous hydrogen land vehicle refuelling connection devices

National foreword

This British Standard is the UK implementation of EN ISO 17268:2020. It is identical to ISO 17268:2020. It supersedes BS EN ISO 17268:2016, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee PVE/3/8, Gas containers - Hydrogen technologies.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
