

BS EN ISO 17715:2014

BSI Standards Publication

Flour from wheat (*Triticum aestivum* L.) — Amperometric method for starch damage measurement

National foreword

This British Standard is the UK implementation of EN ISO 17718:2014. It is identical to ISO 17715:2013. It supersedes BS ISO 17715:2013, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee AW/4, Cereals and pulses.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
