

BS EN ISO 17916:2016

BSI Standards Publication

Safety of thermal cutting machines

National foreword

This British Standard is the UK implementation of EN ISO 17916:2016.

The UK participation in its preparation was entrusted to Technical Committee WEE/40, Health and safety in welding.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
