

BSI Standards Publication

**Anodizing of aluminium and its alloys —
Method to test the surface abrasion resistance
using glass-coated abrasive paper**

National foreword

This British Standard is the UK implementation of EN ISO 18771:2020. It is identical to ISO 18771:2019. It supersedes [BS ISO 18771:2019](#), which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee STI/33, Electrodeposited and related coatings.

A list of organizations represented on this committee can be obtained on request to its committee manager.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
