Earth-moving machinery — Functional safety

Part 4: Design and evaluation of software and data transmission
for safety-related parts of the control system

National foreword

This British Standard is the UK implementation of EN ISO 19014-4:2020. It is identical to [ISO 19014-4:2020](#). It supersedes [PD ISO/TS 15998-2:2012](#), which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee B/513/1, Earth moving machinery (International).

A list of organizations represented on this committee can be obtained on request to its committee manager.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
