National foreword

This British Standard is the official English language version of EN ISO 19105:2005. It is identical with ISO 19105:2000.

The UK participation in its preparation was entrusted to Technical Committee IST/36, Geographic information, which has the responsibility to:

- aid enquirers to understand the text;
- present to the responsible international/European committee any enquiries on the interpretation, or proposals for change, and keep the UK interests informed;
- monitor related international and European developments and promulgate them in the UK.

A list of organizations represented on this committee can be obtained on request to its secretary.
