**Petroleum and natural gas industries
– General requirements for offshore
structures (ISO 19900:2019)**

National foreword

This British Standard is the UK implementation of EN ISO 19900:2019. It supersedes [BS EN ISO 19900:2013](#), which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee B/525/12, Design of offshore structures.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
