

BSI Standards Publication

Petroleum and natural gas industries — Fixed steel offshore structures

National foreword

This British Standard is the UK implementation of EN ISO 19902:2020. It is identical to ISO 19902:2020. It supersedes BS EN ISO 19902:2007+A1:2013, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee PSE/17, Materials and equipment for petroleum, petrochemical and natural gas industries.

A list of organizations represented on this committee can be obtained on request to its committee manager.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
