

BS EN ISO 21457:2010

BSI Standards Publication

**Petroleum, petrochemical
and natural gas industries
— Materials selection and
corrosion control for oil and
gas production systems (ISO
21457:2010)**

National foreword

This British Standard is the UK implementation of EN ISO 21457:2010.

The UK participation in its preparation was entrusted to Technical Committee PSE/17/-/7, UK experts in ISO TC 67 Working Groups.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
