

Plastics — Determination of resistance to environmental stress cracking (ESC) —

Part 4: Ball or pin impression method

The European Standard EN ISO 22088-4:2006 has the status of a British Standard

ICS 83.080.01

National foreword

This British Standard was published by BSI. It is the UK implementation of EN ISO 22088-4:2006. It supersedes BS EN ISO 4600:1998 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee PRI/21, Testing of plastics.

A list of organizations represented on PRI/21 can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard cannot confer immunity from legal obligations.

This British Standard was published under the authority of the Standards Policy and Strategy Committee on 29 September 2006
