Paints and varnishes — Determination of flow time by use of flow cups (ISO 2431:2011)

National foreword

This British Standard is the UK implementation of EN ISO 2431:2011. It supersedes BS EN ISO 2431:1996 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee STI/10, Test methods for paints.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
