Ergonomics — Accessible design — Sound pressure levels of auditory signals for consumer products (ISO 24501:2010)

bsi.

...making excellence a habit.™

National foreword

This British Standard is the UK implementation of EN ISO 24501:2010.

The UK participation in its preparation was entrusted to Technical Committee PH/9/1, Ergonomics of the physical environment.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
