Plastics — Injection moulding of test specimens of thermoplastic materials

Part 1: General principles, and moulding of multipurpose and bar test specimens

National foreword

This British Standard is the UK implementation of EN ISO 294-1:2017. It is identical to ISO 294-1:2017. It supersedes BS EN ISO 294-1:1998 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee PRI/82, Thermoplastic materials.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
