

BS EN ISO 29462:2013

BSI Standards Publication

Field testing of general ventilation filtration devices and systems for in situ removal efficiency by particle size and resistance to airflow

National foreword

This British Standard is the UK implementation of EN ISO 29462:2013.

The UK participation in its preparation was entrusted to Technical Committee MCE/21/3, Air filters other than for air supply for I.C. engines and compressors.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
