Codes for the representation of names of countries and their subdivisions

Part 1: Country code

National foreword

This British Standard is the UK implementation of EN ISO 3166-1:2020. It is identical to ISO 3166-1:2020. It supersedes BS EN ISO 3166-1:2014, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee IDT/2/11, Coding of country names and related entities.

A list of organizations represented on this committee can be obtained on request to its committee manager.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
