National foreword

This British Standard is the UK implementation of EN ISO 3450:2011. It supersedes BS EN ISO 3450:2008 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee B/513/1, Earth moving machinery (International).

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
